ONLINE UVA TOOLS AND RESOURCES

Find shortcuts to online UvA tools and resources via student.uva.nl/eco (homepage desktop version) or MyUvA App.

- **E-MAIL:** Important information is sent by email so use an up-to-date email in Studielink. The UvA Student Service Desk will arrange Studielink accounts for international students. To make changes go to uva.studielink.nl. You can also activate an @student.uva.nl account.  
  A-Z > Email for students

- **COURSE REGISTRATION:** To attend lectures, tutorials and examinations, you are required to register for courses during the course registration period each semester. The student administration arranges course registration for first-year bachelor’s students. A-Z > Course registration

- **STUDY RESULTS:** The online tool ‘Study results’ gives you a fast and convenient overview of your registered grades. m.sis.uva.nl or directly via MyUvA App

- **COURSE CATALOGUE:** In the Course Catalogue you can find information about the content of your study programme and course descriptions. coursecatalogue.uva.nl
• **BLACKBOARD:** On Blackboard you find teaching materials, articles, assignments and messages (for example schedule changes) posted by your lecturer. You can also use Blackboard to communicate with your lecturer and fellow students. [A-Z > Blackboard](#) or directly via MyUvA App

• **TIMETABLE:** Via 'Timetable' you can find the schedule of each course and make an overview of all courses within your study programme. You can also synchronise your timetable with other devices. [rooster.uva.nl](http://rooster.uva.nl) or directly via MyUvA App

• **SIS:** In the Student Information System (SIS) you can view your academic study plan and view your binding study advice. [A-Z > SIS](#)

• **DIGITAL LIBRARY:** In CataloguePlus you can find all records from the UvA Library and most articles from e-journals that the UvA subscribes to. You can directly read and download the full text of articles. [uba.uva.nl/en](http://uba.uva.nl/en) or via MyUvA App
