1.2 Research Institute / Company (Name and Country)

1.3 Supervisor / "examinator"

1.4 Daily Supervisor

2. Agreements and formal requirements

2.1 Before the start of the research training the formal requirements were clear

2.2 Before the start of the research training the agreements were clear

2.3 A time schedule was set in advance

2.4 The time schedule was accomplished

2.5 After the research training the agreements have been observed

2.6 After the research training the expectations have been met

3. Daily supervision

3.1 The quality of the supervision during practical work was good

3.2 The supervisor(s) was (were) able to assist me with understanding the theory

3.3 I am satisfied with the approachability of the supervisor

3.4 There was ample opportunity to communicate with the supervisor(s)

4. Aspects of content

4.1 My theoretical prior knowledge was sufficient to perform the research training

4.2 My practical skills were sufficient to perform the research training

4.3 I was able to find and use relevant literature

4.4 I have learned to perform research independently

4.5 There was room for my own input

4.6 I was able to write the thesis in English

4.7 I was able to present my research data

4.8 The scientific level of the research training was sufficient
5. General questions

5.1 My overall mark for the research training would be (1= very poor, 6 = sufficient, 10=excellent)

5.2 A paper is published, submitted, or will be submitted shortly based on (part of) my work
   Yes  No

5.3 In the order of authors, I was/will be
   1st  2nd  3rd or more

5.4 The choice of my research training was determined by ...

5.5 Below, there is room for some other remarks
