9. is able to independently formulate academic questions in Mediterranean or European Archaeology and select suitable datasets and methods to answer these in a coherent research plan.

3. Further admission requirements

Article 3.1 Admission requirements

1. Admission to the Master's programme is possible for an individual who has adequate knowledge and understanding of the field of study as well as academic skills at Bachelor's level. Any

individual who has obtained a Bachelor's degree in academic higher education in one of the following degree programmes at the UvA or another university in the Netherlands, meets these requirements:

- Archaeology, or
 - Geo-archaeology, Ancient Studies, Anthropology, History (with demonstrable relationship to Ancient Studies), or an equivalent degree programme with a minimum of 30 ECTS (equivalent to a full-time semester of academic studies) taken in the field of Archaeology.
 - You are expected to have an awareness of basic theoretical notions in Archaeology, Ancient Studies and Heritage Studies.
 - Archaeology bachelor's degree from the Saxion University of Applied Science in combination with the 'doorstroomminor Saxion' of 30 ECTS, obtained from the Vrije Universiteit Amsterdam.
2. On behalf of the dean, the Admissions Board will investigate whether the interested person meets the admission requirements.
 3. If the intended Master's programme includes different tracks, a successfully completed specialisation or minor in the Bachelor's programme may be required for admission to each of the different tracks.
Not applicable.
 4. When the programme commences, candidates must have fully completed the Bachelor's programme or pre-Master's programme allowing admission to this Master's programme.

Article 3.2 Pre-Master's programme

Not applicable.

Article 3.3 Limited programme capacity

5. If necessary, the maximum programme capacity of the degree programme shall be established prior to the start of the academic year.

Not applicable.

Article 3.4 English-language requirements for English-language Master's programmes

1. The proficiency requirement in English as the language of instruction can be met by the successful completion of one of the following examinations:
 - IELTS: 7, with a minimum score of 6.5 for the separate test components;
 - TOEFL internet-based test: 100, with a minimum score of 24 for reading, 22 for listening, 25 for speaking and 24 for writing;
 - Cambridge International Examinations: minimum score C1 Advanced (CAE) with a minimum score of 190;
2. Students shall be exempt from the English language proficiency examination referred to in the first paragraph if, prior to commencing the degree programme, they:
 - obtained a vwo high school diploma and a Bachelor's degree at an accredited Dutch university or a Dutch university of applied sciences (hbo);
 - obtained a havo high school diploma with an '8' or higher for English and a Bachelor's degree at an accredited Dutch university or a Dutch university of applied sciences;
 - obtained a Bachelor's degree with English as the official language of instruction at an accredited university;
 - hold an 'International baccalaureate' diploma (English Language).
3. A student who does not meet the requirement regarding a command of the English language may submit a reasoned request for exemption to the Examinations Board, provided that all the documents required for enrolment have been submitted to the Admissions Office. The reasoned request must demonstrate that the student meets the language proficiency requirement in a formal and verifiable manner. Personal statements from the candidate or from third parties shall in principle not fulfil the requirement.

4. Curriculum structure

Article 4.1 Composition of the degree programme

The programme consists of the following components:

- 24 ECTS for programme-specific units of study;
- 18 ECTS for specialisations of small-scale teaching ("Research Labs");
- 18 ECTS for the thesis.

Article 4.2 Compulsory units of study

The compulsory units of study are listed in Appendix 1 to the Teaching and Examination Regulations, Section B (this section).

Article 4.3 Electives

1. Students may choose electives from all master's degree programmes offered by the Faculty of Humanities, provided that the entry requirements are met. The master units of study are included in the course catalogue. If students wish to take a master unit of study offered by another Faculty of University, advance permission must be obtained in writing from the Examinations Board.

Article 4.4 Free curriculum

1. Subject to certain conditions, students have the option to compile a curriculum of their own choice, which deviates from the curricula stipulated by the degree programme. For more information: *Free curriculum Master's programme* in the A-Z of your degree programme.
2. The composition of such a curriculum requires the prior permission of the Examinations Board.
3. The free curriculum will be compiled by the student from among the units of study offered by the University of Amsterdam or another research university and must possess at least the scale, breadth and depth of a regular Master's programme.

Article 4.5 Sequence of examinations

Some examinations and/or practical exercises of the following components cannot be taken until after the student has passed the examination or the examinations of the relevant components:

Not applicable.

Article 4.6 Further conditions for participation in units of study and examinations

1. In order to take part in units of study, students must register during the period specified on the programme website in accordance with the procedure specified at www.student.uva.nl/humanities > A-Z > Course registration. If students fail to register or to do so within the specified period, they may be refused admission to units of study.
2. Admission to units of study with limited capacity is based on predefined admission criteria and rules for priority admission as published in the Course Catalogue, on the understanding that students enrolled in the degree programme are given priority when enrolling for units of study in the compulsory part of their programme.
3. Exclusively students who are enrolled in a Master's programme can take part in tests and examinations of Master's programmes.
4. Registered students must attend the first meeting of a unit of study. Should they be unable to attend, they must contact the lecturer in advance. Students who are absent without notice or without a valid reason can be excluded from participation.

Article 4.7 Further conditions for examination opportunities

Any further conditions for participation in the resit shall be laid down in the examination regulations for each unit of study. The examination regulations are incorporated in the course manual.

Article 4.8 Further conditions for exemption

The following units of study shall be excluded from the possibility of exemption, as referred to in Section A, Article 4.7:

Not applicable.

Article 4.9 Validity period of results

The validity period of the examinations and examination exemptions below is limited as follows:
Not applicable.

Article 4.10 Degree

A student who passes the Master's final examination is awarded a Master of Arts degree, abbreviated to MA. The degree awarded shall be stated on the degree certificate.

Article 4.11 Internships

1. The course referred to as Research lab 3 can also be used for an internship. During their Master's programme, students may do an internship worth a maximum of 6 credits.
2. The internship will be assessed with a grade.
3. The procedure for doing an internship is set out in the Internship Regulations for Master's programmes (see: <http://www.student.uva.nl/humanities> > A-Z > Internship Master's programmes).

5. Academic student counselling

Article 5.1 Academic student counselling

The academic student counselling for this programme consists of:

- tutoring (www.student.uva.nl/humanities > A-Z > Tutoring);
- study adviser (www.student.uva.nl/humanities > A-Z > Study advisers).

6. Teaching evaluation

Article 6.1 Teaching evaluation

The degree programme is responsible for evaluating the quality of its education. The Faculty makes course evaluation reports available to this end. Additional forms of evaluation may be carried out at the programme's own discretion. The Programme Committee is entitled to receive all teaching evaluations and is expected to discuss them. The Programme Committee can also collect information about teaching quality by other means.

7. Transitional and final provisions

Article 7.1 Amendments and periodic review (Section B)

1. Amendments to Section B of the Teaching and Examination Regulations shall be adopted by the dean following approval and consultation of the representative advisory bodies of the Faculty.
2. Amendments to Section B of the Teaching and Examination Regulations shall require the approval of the Faculty Student Council for components that do not relate to the subject matter of Section 7.13, subsection 2 under a – g and v of the WHW. The Faculty Student Council shall retain the right to be consulted regarding other components.
3. An amendment of Section B of the Teaching and Examination Regulations shall require the approval of the Programme Committee for the components that relate to the subject matter of Section 7.13, subsection 2 under a1 through e, g and v of the WHW. The Programme Committee shall retain the right to be consulted regarding other components.
4. Amendments to the Teaching and Examination Regulations may only pertain to an academic year that is already in progress if it can be demonstrated that this does not harm the interests of students.

Article 7.2 Transitional provisions

1. To accommodate students who, on the date these Regulations become effective, have already successfully completed one or more units of study in accordance with previous regulations, but have not yet fulfilled all the requirements for the examination and whose interests are harmed by provisions in these Regulations that deviate from the provisions in previous regulations, the

Examinations Board will define transitional provisions, in compliance with the regulations pertaining to examinations and study units laid down in the WHW.

2. If applicable, transitional provisions concerning curriculum changes are included in Appendix 2.

Article 7.3 Publication

1. The dean will ensure proper publication of Sections A and B of these Regulations, as well as all amendments to them.
2. The Teaching and Examination Regulations will be published on the Faculty's website.

Article 7.4 Entry into force

Section B of these Regulations comes into effect from 01 September 2021.

Adopted by the dean on 29 juni 2021.

Approval and advice of the faculty representative advisory body:

Faculty of Humanities Student Council on 4 June 2021;

Faculty of Humanities Works Council on 8 June 2021;

Programme Committee on 4 May 2021.
