Dear students,

Another year has flown by, and the summer holidays are just around the corner. This will be the last column that the council of 2017-2018 writes. After the summer, the elected candidates from Lief, Partij Stout, Slaafs and Malou Sprinkhuizen will take over from us.

At the moment, we are busy with completing our files for the end of the year, such as reviewing all of the programmes’ Teaching and Examination Regulations (OER) and the financial framework of the faculty. But besides that, we are already preparing the new council for the coming academic year. If you have input or ideas for them, or if you just want to say hi, come by at B0.112 (next to the main staircase in the central hall). The council will have a summer recess from July 9 until August 19.

Have a good summer, and we wish you the best of luck with your final projects and exams!

Yours truly,
The Faculty Student Council
